MOTHER'S GRIEF AND LOSS GROUP

When a mother experiences the loss of a pregnancy, infant, or child, she does not just lose her child, but she loses all the what-if's, dreams, and hopes she was excited to create. Join Addie's Angels to process this grief in a safe environment with Licensed Therapist, DeNae Haagenson, M.Ed., LPCC.

Group will be held virtually on the 2nd and 4th Thursday of the month at 7pm.
