Consumer Confidence Report
City of Breckenridge 2020 Drinking Water Report
View the safety of your city water in the State of Minnesota's inspection report for 2020. The City of Breckenridge is issuing the results of monitoring done on its drinking water for the period from January 1 to December 31, 2020. The purpose of this report is to advance consumers' understanding of drinking water and heighten awareness of the need to protect precious water resources.
Stop by City Hall for a copy of the report or visit www.breckenridgemn.net; under Public Utilities tab

SUMMER MOSQUITO SPRAYING

Notice to the Public:

Currently, spraying will take place twice per week and can be more frequent if
needed. As always, weather plays a critical role in how & when we spray.

***Do YOUR part in keeping them to a minimum. Check around your property for these top breeding sites: clogged gutters, blocked downspouts, open trash cans, toys, pools, buckets, bird baths, yard novelties, boats & kayaks, plant saucers, pet water bowls, tires, or any other places that hold water.
