Know what's below.
Call before you dig.

Whether the project is large or small, if you are using machine-powered equipment or just a shovel and rake to plant a garden, get your work area marked.

Notify your local one call center by calling 811 or 1-800-252-1166 or making an online request 2-3 days before work begins.

Wait the required amount of time for affected utility operators to respond to your request.

Confirm that all affected utility operators have responded to your request and marked underground utilities.

Respect the marks.

Dig Carefully around the marks with care.
