Events at the

BRECKENRIDGE PUBLIC LIBRARY

Pet Show

Tuesday, June 1 from 3 - 4 pm

(Rain date: Wednesday, June 2)

Bring a live, stuffed animal, picture, or even an imaginary pet. Live pets must be on leashes or in a cage. Prizes will be given out thanks to Breckenridge Dairy Queen!

Tweet Treats

Tuesday, June 8 from 3 - 4 pm

(Rain date: Wednesday, June 9)

Monique Stelzer from the Wilkin County Extension office and 4-H will help us make simple bird feeders.

Birding for Beginners

Tuesday, June 15 from 3 - 4 pm

(Rain date: Wednesday, June 16)

Matt Mecklenburg from the Fargo-Moorhead Audubon Society will talk to us about birdwatching in our area.

Creepin' Caterpillars

Tuesday, June 22 from 3 - 4 pm

(Rain date: Wednesday, June 23)

NDSU Extension Master Gardeners will share about caterpillars and butterflies. Then, make a caterpillar of your own.

Pollinators: Superheroes of our Environment

Tuesday, June 29 from 3 - 4 pm

(Rain date: Wednesday, June 30)

The Wilkin County Extension office will be here to teach us about bees and creatures that move pollen between plants so that they can bear flowers and fruit.

Getting Squirmy with the Wormies

Tuesday, July 6 from 3 - 4 pm

(Rain date: Wednesday, July 7)

What's in your soil? Wilkin County Soil & Water Conservation District and NRCS help us understand what we might find when we're digging in the dirt.

Fishing for Fun

Tuesday, July 13 from 3 - 4 pm

(Rain date: Wednesday, July 14)

Longtime bass fisher, Mike Wanek teaches us the basics of this hobby and why his favorite place to be in the summer is on a beautiful Minnesota lake.

How Did We Get Here?

Tuesday, July 20 from 3 - 4 pm

(Rain date: Friday, July 23)

From 150 years ago to today, people from around the world have been coming to make this place their home. We will play a group game exploring the immigrant experience of six real people from local history with Markus Krueger from the Historical and Cultural Society of Clay County.

Let's Get Prairie Gardening!

Tuesday, July 27 from 3 - 4 pm

(Rain date: Friday, July 28)

Don't miss the finale to our summer program. For this event we will be creating our very own DIY seed bombs with native wildflowers and prairie grasses with seeds donated by Emery Greenhouse.
